Adherence Monitoring - Using Notification Report in Web Dashboard

The screenshot shows the 'Reports' section of a web dashboard. The left sidebar has a menu with 'Others' circled in orange. The main content area has a 'Date Range Options' section with 'Patients notified -' and date pickers for 'From: 01-11-2018' and 'Till: 15-11-2018'. Below that is a 'Download report' section with a 'Notification Register (.csv)' button circled in orange. A large orange arrow points from this button to a table below. A blue arrow points from the table back to the 'Notification Register (.csv)' button.

AO	AP	AQ
Adherence Technology	Average Adherence(Tech + Manual)	Average Adherence Tech

Step 1 – From the Web Dashboard, go to Others > Reports option

Step 2 – Enter the date range

Step 3 – Click the Notification Register button to download the report

Step 4 – Open the csv report in excel and view the adherence related columns for each patient

Note that the notification register download option is only available for district, TU, phi, private facility hierarchies. It is not available for State or country logins. You can apply various filters like location specific, private, public patients, etc. to this report.
